For Everyone's Enjoyment and Safety:

Please do not interfere with the enjoyment of our other guests.

Please be considerate of activities (weddings, tours, educational programs, festivals, etc.) that might be occurring while you are here by setting your work station up at an appropriate distance away.

Take care to place your chair/easel/tripod in grassy areas only, do not block walkways. The Estate House porches, tent area, and parking lot are not available for easel/tripod stations.

No chairs or easels are permitted in the Children's Garden, however, artists are most welcome to sit on the benches and to use sketch pads there.

If mowers are on the property, please move to another area while they mow your station.

I have read and understand the guidelines listed above and agree to abide by them.
