

2005 Reciprocal Gardens

Arboreta, Gardens, and Conservatories

Your membership card entitles you to free admission and additional benefits at botanical gardens, arboreta, and conservatories.

How to enjoy the benefits of the Reciprocal Admissions Program

Before visiting a listed garden, you may wish to check their website to verify hours of operation and see if the garden is sponsoring any special events – these change frequently. Links to the gardens' web pages are available on the American Horticultural Society web page at www.ahs.org/events/reciprocal_events.htm.

Present your member card at the admissions counter or gift shop of the garden you are visiting. Your member card will only admit the individual(s) actually listed on the card. Due to variations in membership categories of participating organizations, some gardens may choose to admit no more than two (2) people whose names are listed on your member card. Some gardens may require you to show a picture ID.

Be aware that some special events are not included in the reciprocal benefits of this program.

Remember that the gardens you visit rely on admissions and donations to maintain their property and gardens for all to enjoy. If you can, please support them by visiting their gift shops and/or making a contribution.
